Section 6.2 Additional Claims. Except as set forth in Section 6.1, nothing in this Agreement shall be construed as precluding any Consenting 2020 Noteholder or any of its Affiliates or any of its Related Funds from acquiring additional 2020 Notes following the Agreement Effective Date provided that following the Agreement Effective Date, any such additional 2020 Notes acquired by a Consenting 2020 Noteholder or any of its Affiliates or any of its Related Funds (in each case by reference to its portion of the Agreement Effective Date Group Holdings (as defined below)) shall only Participate in the Private Exchange with the express written consent of the Leading Bidder and the Required Consenting 2020 Noteholders. Each Consenting 2020 Noteholder shall provide to Paul Weiss on the Agreement Effective Date the amount of its holdings of the 2020 Notes as of such date (the aggregate amount of such holdings of all Consenting 2020 Noteholders as of such date, after accounting for any unsettled trades to purchase or sell 2020 Notes pending as of such date, being the “**Agreement Effective Date Group Holdings**”). On or around the first business day of each calendar month, each Consenting 2020 Noteholder shall provide Paul Weiss with the current amount of its holdings of the 2020 Notes as of such date.

Section 6.3 Additional Joinders. Additional Consenting 2020 Noteholders may accede to this Agreement as Consenting 2020 Noteholders; *provided* that (i) each Initial Consenting 2020 Noteholder has provided its prior written consent in relation to the identity of each such additional 2020 Noteholder and (ii) each such additional 2020 Noteholder has executed a 2020 Noteholder Joinder, after which such additional 2020 Noteholder shall be deemed a Consenting 2020 Noteholder hereunder in all respects (each such additional 2020 Noteholder being an “**Additional Consenting 2020 Noteholder**”); *provided, further*, that any Related Fund that accedes to this agreement shall be deemed an “Initial Consenting 2020 Noteholder”.

(c) such Party's execution, delivery, and performance of this Agreement does not and will not require the consent or approval by any other Person or entity, except for any consent or approval obtained prior to, or contemporaneously with, the Agreement Effective Date; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally or by equitable principles.

Section 7.2 Representations and Warranties of the Consenting 2020 Noteholders.

Each Consenting 2020 Noteholder, severally and not jointly, represents to the CITGO Parties (solely in respect of its managed and/or advised funds and/or accounts in the case of any investment manager or investment advisor and not in respect of itself):

(b) other than in accordance with the Securities Act, it does not have any contract, undertaking, agreement, understanding, or arrangement with any person to sell, transfer, or pledge to any Person any part or all of the New CITGO Notes, or any interest therein, that the Consenting 2020 Noteholder would acquire pursuant to the Transaction, and it has no present plans to enter into the same;

(c) it has sufficient experience in business, financial, and investment matters to be able to evaluate the risks involved in, and to make an informed investment decision with respect to, an exchange of its 2020 Notes (and delivery of the related consent) and an investment in the New CITGO Notes, and it acknowledges that: (i) it was given the opportunity to ask questions and receive answers concerning the terms and conditions of the Transaction and to obtain any additional information that the Leading Bidder possesses or can acquire without unreasonable effort or expense; (ii) the Leading Bidder makes no representation regarding the value of the 2020 Notes or the New CITGO Notes; and (iii) it has independently and without reliance upon the Leading Bidder made its own analysis and decision to enter into this Agreement and to exchange its 2020 Notes (and deliver consents related thereto) and to invest in the New CITGO Notes on the terms set forth in this Agreement;

Section 8. Miscellaneous.

Section 8.1 Entire Agreement; Prior Negotiations. This Agreement, including all of the exhibits attached hereto, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all other prior negotiations, agreements, representations, warranties, term sheets, proposals, and understandings, whether written, oral, or implied, among the Parties with respect to the subject matter of this Agreement. Each Party acknowledges and agrees that it is not relying on any representation or warranty from any other Party in entering into this Agreement except for those representations and warranties expressly set forth herein.

Section 8.2 Reservation of Rights. This Agreement constitutes a confidential communication about a proposed settlement among the Parties. Regardless of whether or not the Transaction is consummated, or whether or not a Termination Date occurs, if applicable, nothing shall be construed herein as a waiver by any Party of any or all of such Party's rights or remedies, and the Parties expressly reserve any and all of their respective rights and remedies. Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rule of evidence, and any other applicable law, the parties agree that, to the fullest extent under applicable law, neither this Agreement nor any negotiations relating hereto shall be admitted into evidence in any proceeding other than in a proceeding to enforce this Agreement or as a defense in connection with such a proceeding. This Agreement shall not be construed as or be deemed to be evidence of an admission or concession on the part of any Party for any claim, fault, liability, or damages whatsoever. Each Party denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses that it has asserted or could assert. Except as expressly provided in this Agreement, nothing herein does or is intended to, in any manner, waive, limit, impair, or restrict the ability of each Party to protect and preserve its rights, remedies, and interests. Without limiting the foregoing sentence, each Party reserves any and all of its rights, remedies, and interests in the case of any claim for a breach of this Agreement.

Section 8.3 Representation by Counsel. Each Party acknowledges that it has been represented by counsel (or had the opportunity to be represented by counsel and waived its right to do so) in connection with this Agreement and the Transaction. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Agreement against such Party based upon the lack of legal counsel shall have no application and is expressly waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effectuate the intent of the Parties hereto. None of the Parties hereto shall have any term or provision of this Agreement construed against such Party solely by reason of such Party having drafted the same.

Section 8.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute one and the same instrument, and the counterparts may be delivered by email in portable document format (.pdf) or by electronic signature.

Section 8.5 Amendments.

(a) Except as otherwise provided herein, this Agreement may not be modified, amended, or supplemented, and no provision of this Agreement may be waived, without the prior written consent of the Leading Bidder and the Required Consenting 2020 Noteholders; *provided* that (i) the definitions of "Required Consenting 2020 Noteholders," may not be amended or otherwise modified without the written consent of each Consenting 2020 Noteholder; (ii) Section 5.4(b) and this Section 8.5 may not be amended without the written consent of each of Red Tree and each Consenting 2020 Noteholder, notwithstanding anything to the contrary in this Section 8.5(a); (iii) no modification, amendment or supplement hereunder may have a disproportionately negative effect (including, but not limited to, an economic recovery or any amendment to Section 8.19) to any

Consenting 2020 Noteholder relative to another Consenting 2020 Noteholder without the written consent of such negatively affected Consenting 2020 Noteholder; (iv) the parenthetical (A) “only those Consenting 2020 Noteholders able to provide such indemnity” in Section 2.2(b)(iii) and Section 2.2(b)(iv), (B) “among Consenting 2020 Noteholders, but only to the extent that each such Consenting 2020 Noteholder is able to provide such indemnity” in Section 3.2(a)(vi), and (C) “and, in the case of the Consenting 2020 Noteholders, only those Consenting 2020 Noteholders able to provide such indemnity” in the Transaction Term Sheet (Consent Solicitation and D&I Agreements section) may not be amended or otherwise modified without the written consent of each Consenting 2020 Noteholder and (v) no modification, amendment, or supplement hereunder shall provide for any covenants of any Consenting 2020 Noteholders that apply prior to the Successful Bid Date; provided, that any covenants contained in any modification, amendment or supplement hereunder that apply after the Successful Bid Date shall be limited to those covenants necessary and appropriate to consummate the PDVH Transaction and the Transaction, absent the consent of each Consenting 2020 Noteholder.

(b) No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provision of this Agreement, whether or not such provisions are similar, nor shall any waiver of a provision of this Agreement be deemed a continuing waiver of such provision.

(c) Notwithstanding anything to the contrary set forth herein, where written consent is required pursuant to or contemplated by this Agreement, such written consent shall be deemed to have occurred if it is conveyed in writing (with email being sufficient) between Paul Weiss (on behalf of the Initial Consenting 2020 Noteholders), counsel to any other Consenting 2020 Noteholders (to the extent applicable), counsel to either the Leading Bidder or CITGO Parties (to the extent applicable), and without representations or warranties of any kind on behalf of such counsel.

Section 8.6 Headings. The headings of the sections, paragraphs, and subsections of this Agreement are included for convenience only and will not affect the interpretation of the provisions contained herein.

Section 8.7 Acknowledgments; Obligations Several. The obligations of the Parties under this Agreement are several and neither joint nor joint and several. A Consenting 2020 Noteholder will not be responsible for the performance of the obligations or any breach by any other Consenting 2020 Noteholder under this Agreement, and no presumption will arise from anything contained herein or any action taken by any Consenting 2020 Noteholder that the Consenting 2020 Noteholders constitute a partnership, an association, or joint venture. No presumption will arise from anything contained herein or any action taken by the Consenting 2020 Noteholders that the Consenting 2020 Noteholders are otherwise acting other than in their individual capacities. The Consenting 2020 Noteholders shall not have any fiduciary duty to any other 2020 Noteholder, the CITGO Parties, or the CITGO Parties’ other lenders, noteholders, stockholders, or other stakeholders as a result of this Agreement or the transactions contemplated hereby. Each Consenting 2020 Noteholder acknowledges that no 2020 Noteholder will be acting as agent of any other 2020 Noteholder in connection with monitoring such 2020 Noteholder’s investment or enforcing its rights under this Agreement, the Definitive Documents, or any other documents to be entered into in connection with the consummation of the Transaction.

Section 8.8 Specific Performance; Damages. The Parties understand, acknowledge, and agree that money damages would be an insufficient remedy for any breach of this Agreement by any Party and, thus, that each non-breaching Party will be entitled to specific performance and injunctive or other equitable relief to remedy any such breach, including an order, of a court of competent jurisdiction requiring any Party to comply promptly with any of its obligations in this Agreement. Notwithstanding anything to the contrary in this Agreement, no Party or its representatives will be liable to any other Party

for any punitive, incidental, consequential, special, or indirect damages, including the loss of future revenue or income or opportunity, relating to a breach or alleged breach of this Agreement.

Section 8.9 Governing Law. This Agreement will be governed by, and construed in accordance with, the laws of the State of New York without regard to any choice of law provision that would require the application of the laws of another jurisdiction.
